The international Edible Book Festival is a family-friendly event that invites participants to create edible interpretations of their favorite books that are exhibited, documented, and then eaten up!

Creations are ranked by local celebrity judges and artist-chefs are awarded with prizes donated from local businesses. All proceeds from ticket sales, entry fees, and basket raffles support our ongoing programming, providing a greater understanding of printing and book-related arts through education, creation, and exhibition for a broad and diverse community.

Each year, this unique event draws hundreds of attendees, ranging in age from infant to adult, who are community-minded and excited to support local businesses like yours!
